Re: Tribal Gaming Compact between the Chickasaw Nation and the State of Oklahoma,  
effective date February 8, 2005, as Amended and Supplemented (the "Compact")

Dear Governor Anoatubby:

When I took office as Governor of the State of Oklahoma in January, one of the first matters of which I was apprised was the upcoming termination of the Tribal-State Gaming Compacts. As I believe you are aware, Part 15 Section B of the Compact referenced above, provides in part that the Compact shall expire on January 1, 2020. Moreover, since there has been no governmental action of the State, or court order authorizing electronic gaming in the State, since the effective date of the Compact, I have been advised that the Compact will not automatically renew. Therefore, I believe it is necessary, prudent, and in the best interests of the State of Oklahoma and the Chickasaw Nation to begin negotiating the terms of a new gaming compact as soon as reasonably practicable.

Accordingly, pursuant to Article 6 of the Oklahoma Constitution, 74 O.S. § 1221 C.1., and Part 15 Section B of the Compact, I am hereby requesting that we renegotiate not only the terms of Subsections A and E of Part 11 of the Compact, but the rest of the terms of the Compact as well. Obviously, because of the January 1, 2020, termination date, it is imperative that we reach an agreement and obtain the approval of the Department of the Interior prior to the end of 2019, so that the Chickasaw Nation may continue to lawfully conduct certain class III games in Oklahoma after that date.

Please have the individual(s) who will be negotiating on behalf of the Chickasaw Nation contact the office of my General Counsel, Mark Burget, so we may begin the negotiation process as soon as possible. Mr. Burget may be reached at [Mark.Burget@gov.ok.gov](mailto:Mark.Burget@gov.ok.gov).

Thank you for your time and attention. I look forward to working with you to conclude a mutually satisfactory and beneficial agreement.

Yours very truly,
