Dear Governor Stitt,

We, the undersigned Tribal leaders, respectfully represent that we intend to stand united in response to your recent statement that the Gaming Compact will expire at the end of this year. Additionally, we believe the following principles to be true:

1. The present Gaming Compact will automatically renew on January 1, 2020;
2. The rates under the present Gaming Compact should not change. They represent promises made by the State of Oklahoma and the Tribes. Promises we intend to fulfill now and in the future, and we expect the State to do the same; and
3. We recognize you have the right under the present Gaming Compact to request a renegotiation of rates paid under the Gaming Compact. We recognize your right to make that request and would ask that you send your proposal to each and every Tribe together so that we may consider any proposal as a unified body of Tribal leaders.

We thank you and look forward to receiving your proposal.
